Introduction As an economics minor, the economics in the United States is something that has become more interesting to me over the past few years. I have chosen to investigate this topic because it is something that is interesting to me, but is also something I can be successful at investigating. Even though I have taken a lot of economics courses at college, I have never investigated this topic myself or by using statistical methods.

Specific Aims Nam dui ligula, fringilla a, euismod sodales, sollicitudin vel, wisi. Morbi auctor lorem non justo. Nam lacus libero, pretium at, lobortis vitae, ultricies et, tellus.
